MERAWOOD Decorative Wood Wall Panel

With different textures and colours, our uniquely handmade wall panels would give your interior a special Natural and earthy touch.

- Convenient to install.
- Strong design statement with 3D effect.
- All our materials are tested and safe to use. They are properly kiln dry low emission and low toxicity.
- Environment friendly as lesser wood are being cut down. All the wood used are reclaimed or reused wood from old building structure or normal woodworking process.
- Our wall panel can be used in residential and commercial projects, such as feature wall, door panel, shop facade, furniture and many other possibilities.
- No additional varnishing is required.
- Natural wood have fragrant scent.

Beyond the eco-responsibility of reusing materials, it is indisputable that our wood panel brings beauty and character that nothing else can.
